Steve Gregory
Morgan Lane Real Estate
Napa, California

Dear Steve.

Congratulations on behalf of Broker Agent Magazine!

I am proud to officially announce that you have been selected from the thousands of active Realtors in the region for the “Agent of the Month” Award and cover story. I should also point out; you are the first agent in the Napa area to be featured in Broker Agent Magazine.

As you know, many Realtors are nominated for this distinction; however, with space available for only one “Realtor of the Month” in each issue of this trade publication our requirements and standards have to be extremely rigid. All agents in contention were evaluated against each other based on everything from their outstanding achievements in sales production to their impeccable professional standards.

You proved to have the ongoing commitment to professional excellence, superior focus on customer service, and exceptional marketing strategies that set you apart from the other agents.

It is the hope of Broker Agent Magazine that your feature story and overall success as a professional Realtor will be an educational tool and an example for other area REALTORS® to follow.

Sincerely,

Bob Salmon
